

Geneva Garden Club is requesting your support as an Event Sponsor for our *Second Annual Luncheon Fund Raiser* to be held at Eagle Brook Country Club on Tuesday, April 24, 2018. We anticipate 200-250 attendees.

The Event Sponsorship Fee of \$150 will provide the following to the donor:

- Sponsor prominent signage at the entrance to the ballroom at Eagle Brook Country Club on the day of the event.
- Inclusion in the list of sponsors on our website and through social media.
- All Sponsors will be included in a continually running slideshow during the fund raiser and verbally acknowledged by the President of the Geneva Garden Club during her welcoming statement.
- Any giveaways or brochures provided by our Event Sponsors will be made available to our attendees.

Since 1928, in our 90 years of existence, Geneva Garden Club's Mission has been to recognize the need to Preserve and Enhance our natural environment in our community, Participate in fostering philanthropic endeavors in the fields of education, horticulture and wildlife, while Promoting the beautification of the City of Geneva.

- Over the last seven years, our club has worked in partnership with the local park district to substantially increase tree plantings in public lands in our community by contributing over \$20,000 to these efforts. This need arose from the devastation of ash trees due to the infestation of the emerald ash borer.
- Geneva Garden Club offers an annual scholarship for post-secondary studies in a horticultural or environmental science field.
- We have sponsored programs educating the community on current issues affecting our environment, including the health of bee colonies and the monarch butterfly and the implication on our future food supply.
- Our membership was instrumental in saving and restoring the Japanese Tea Garden at Fabyan Forest Preserve, which is now maintained by the Kane County Forest Preserve District.
- We also have redeveloped and landscaped a .6-acre park in downtown Geneva along the Fox River, which our membership maintains.
- The club also partnered with a local Senior Center to create a pathway for wheel chair access to a therapy garden for the residents.
- Additionally, we provide many plantings and arrangements at the CASA (Garden located at the Kane County Court House, Living Well Cancer Center, Geneva Public Library, Geneva Beautification's State Street Knuckle Program, and the Geneva History Museum.

Your sponsorship will help ensure our ability to continue this long-time commitment to our community.

Thank you for your consideration in this matter. If you have any questions, please contact me or Sandi Bowgren at (630) 677-1477. The members of Geneva Garden Club are grateful for your tax-deductible sponsorship.

Sincerely,

Julie Maturo
